2018 Contribution Solicitation Disclosure List

As part of the Mayor's commitment to transparency, we are voluntarily publishing this list of the donations made during the 2018 election cycle by people or groups who pledged direct support to a third-party recipient after being asked to do so by Mayor de Blasio. This, of course, does not mean that the Mayor's solicitation was the only reason for any subsequent donation. This list includes candidates engaged in recounts and runoffs after November 6.
